Boy: When we don't feel like cooking, my sister and I order pizza. She likes pizza with mushrooms and onion. But I hate both. For me, pizza tastes best with pineapple. My sister doesn't like it. That's why we always order a half-and-half pizza.

Girl: I think this sculpture is really unusual. It's the figure of a man, but part of his body is missing. He might be an old person thinking about his life or just a tired traveller, but he doesn't have any luggage. He's sitting on a bench and his head is down. I wonder who made this sculpture.

Boy: Ann, you're working too much. I think you should take a break and go for a walk.
Woman: I've got to finish some documents first. My boss must get them tomorrow morning. Later, I have to clean the kitchen.
Boy: Can I do anything to help you?
Woman: You're a great brother, but I know your favourite programme will start in a few minutes.
Boy: Don't worry. I can watch it later.
Woman: That's so nice of you, so could you load the dishwasher?
Boy: Sure, no problem. After that, I will make a snack for us and then we can go shopping. The summer sales have already started. What do you think?

Boy: Hi Julie, the online shop you recommended is wonderful. It really offers excellent sports shoes at good prices.
Girl: Have you chosen anything interesting yet?
Boy: I've just bought white trainers. They should arrive in two days, but I will be away then.
Girl: What a pity! What are you going to do now?
Boy: Could the shop send the parcel to your place?
Girl: Sure, no problem!
Boy: It's very kind of you. So I'll contact them to change the delivery address. I'll collect the shoes when I get back. Thanks.
Girl: You're welcome.

Boy: Hi, I'm Martin. I'm calling because I'd like you to play *Sunny Day* by Sam Smith for my new friend, Anna. She sings it all the time. I know she loves your radio station and she's probably listening right now. Thank you so much for taking my call.

I absolutely loved my holidays. I was at the seaside with my friends and we had a lot of fun. One day, when we were on the beach, I met my favourite singer. He was walking along the beach. He was wearing sunglasses, probably hoping no one would recognize him. But he is so popular that every fan like me knows what he looks like. I just couldn't believe my eyes!

My last holidays didn't go as planned. At first I thought of visiting my friend abroad but he got sick. That's why I decided to go camping. I often spend holidays in this way. One day, during a walk to the nearby forest, I realized I couldn't find my way back! Luckily, I met a local woman and she told me how to get back to my campsite.

We usually spend our holidays in the same place, not far from our home. It's so boring. The only thing you can do there is take walks in the forest. This year, however, my parents agreed to do something different. We travelled across Austria and Germany and it was awesome! I could practise my language skills, and I finally saw all the famous places which we had talked about during German classes.

I still remember my last holiday when our bus driver got lost. It happened when we were coming back to our hotel from a trip to an old castle. It was an ancient building far from the city! The trip was great, but when we were coming back, it took the driver some time to find the right way. Fortunately, he didn't need to stop or ask anybody for directions, but we arrived at the hotel an hour later than planned.

Man: Good morning, students. Next Friday in the afternoon, our school Green Club is having an eco-friendly sporting event in Wellington Park. Everyone can take part. We are going to go for a run as a group and pick up rubbish at the same time. Bring gloves to protect your hands and the school will give you rubbish bags. And remember to put on warm clothes before you leave home. The event begins at 4, but let's meet in the playground at 3.45. Your parents can pick you up at Wellington Bridge at 6. There is also a special prize for the person who collects the most rubbish. Join us and have fun.
